

AGENDA
Hand Hygiene Research Project
Advisory Board Meeting

Mount Sinai Hospital, 600 University Avenue (Executive Boardroom, Main Floor)

Monday, December 11, 2006 – 8:00 a.m. to 2:00 p.m. EST

PURPOSE OF MEETING...

To review and discuss Phases I and II of CIHR-Funded Hand Hygiene Research Project

GOALS OF THE MEETING...

1. To share the status of the systematic literature reviews and to obtain recommendations on the dissemination of results
2. To explore theoretical models of behaviour change and to seek recommendations on a proposed model for improved hand hygiene
3. To review the tools for interviews with experts and decision makers and for surveys targeting infection control practitioners and hospital epidemiologists
4. To obtain advice on directions for Phases II and III of the study

SCHEDULE

8:00 – 8:30	BREAKFAST and Welcome
8:30 – 8:50	Introduction and Overview of the CIHR Hand Hygiene Research Project (Dr. Allison McGeer)
