

EDUCATION DAY 2008

Call for Posters

If you have a poster that you've recently presented, we would love for you to share it at the TIBDN Education Days on Thursday, November 20th and Thursday, November 27th, 2008. Posters will be mounted for display during the event at both sites.

If you have something that you would like to show, please contact **Robyn Stewart** at (416) 586-4800 x2761 or rstewart@mtsinai.on.ca as soon as possible to make arrangements.

Posters can be dropped off at Mount Sinai Hospital, room 210 before the Education Day, or brought to registration on the Education Day. If you bring your poster, please have it there at 8:00 am and we will put it up by the mid-morning break.

We look forward to seeing many works of art on the walls!
